Art Work

WE ARE headquarters for all kinds of Creative and Commercial Art Work, such as Designing, Photo Retouching, Pen or Wash Drawing, Birds-eye Views, etc. In connection we also have a special service for the preparation of copy and designs for Mailing Folders, Trade Paper Advertisements, Booklets, Catalogs, etc.

Plate Making

WE PRODUCE in our Photo Engraving Department the highest class of HALFTONES—one color for catalogs, folders, and other advertising matter, newspapers, etc. PROCESS COLOR PLATES—Two, Three and Four Color, for art subjects and for illustrating your product in natural colors. LINE ETCHINGS—on zinc or copper for newspaper, circular, trade journal and magazine use; and in one or more colors for decorative purposes. BEN DAY COLOR PLATES—for broadsides, mailing folders, etc.

Acid Blast Halftones

ALL of our halftones are etched by the LEVY ACID BLAST PROCESS. By this method the plate is suspended face down and compressed air forces a spray of acid against it from below. The result is deeper, cleaner, and sharper etching than it is possible to obtain by the old method of tub etching, while the cost to you is no more than by the old process.

Stationery Engraving

BECAUSE of careful attention to the wishes of our customers, combined with work of the highest quality, our Copper Plate and Steel Die Embossing Department has grown until it now ranks in volume of business with our other large and growing departments. The latest in style and highest in quality in Wedding and Party Invitations or Announcements, Visiting Cards, Business Announcements, Letter Heads, Business Cards, etc.

Our Business is to help Your Business

—with better illustrations of your product, better engravings, increased sales and greater profits. In this list, you will surely find something—or perhaps several things—that will help your business right now. Consult us about anything you may need.

For Business and Pleasure Trips Use D & C Line Steamers

The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, four trips weekly between Toledo, Detroit and Mackinac Island, the historic summer resort of the North Country, and from June 25 to Sept. 10 a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D. & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address L. C. LEWIS, G. P. A. Detroit, Mich.

WHAT DO YOU DO WITH THE OLD DIRECTORY

?

Why not take the old book home now that the new one is out. Many of our subscribers are doing this and tell us it is quite as necessary to have one in the home now as in the office.

Your Wife will find many uses for it. She can look up the people she meets and find out who's who in your city. She will use it for invitations, addresses, streets, etc.

Your Daughter can look up her friends, their parents, club, church and society data, and miscellaneous information of all sorts. Find strange streets and exactly how to reach them.

Your Son will find it both interesting and instructive. It will settle many a friendly argument.

The Old Folks can look up their old friends, the various facts concerning the city, and they will marvel at the city's wonderful growth.

You Will Use It Yourself
and the folks will thank you for bringing it home

The Association of the American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake Directory.

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or *"get-rich-quick"* concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising, is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?
